SUBJECT: POLYESTER (full film with required primer) COIL COATING SYSTEMS TEN (10) YEAR LIMITED WARRANTY For HDG Steel, and Zinc-Aluminum Alloy Steel for Metal Building Components.

We are pleased to present you with our ten (10) year Polyester limited Warranty, which is below.

1. Our Polyester family of coil coatings, properly applied per the Technical Data Sheet to HDG steel (G90+), and Galvalume steel for commercial or industrial building parts will meet the following standards from the date of installation.

WILL NOT crack, check or peel (lose adhesion) for ten (10) years. But this does not include minute fracturing, which may occur in proper fabrication of the building parts such as crazing or slight cracking. **Failure due to substrate corrosion is excluded.**

2. In case of a complaint, you will provide access to us and assist us as necessary in determining the exact cause of the failure. ASTM and NCCA testing procedures will be used.
3. If our Polyester family of coil coatings fail to comply with our limited Warranty, Valspar shall, at its option, pay for refinishing or replacing the metal coated with the product claimed to be defective. In no event shall Valspar's liability exceed the lesser of the cost of replacing the coated metal or refinishing the metal on site. In no event shall Valspar be liable for any incidental or consequential damages. In order for the warranty to be in effect, you must notify us in writing of the failure within thirty days of the discovery of such a problem and provide documentation we may require. If we repaint, we will use normal, we will use normal field painting practices. This Warranty also applies to the part we repainted, repaired, or replaced, but only for the unexpired portion of the Warranty period applicable to the original part.
4. Our LIMITED WARRANTY DOES NOT APPLY to circumstances which we do not control, including:
 - A. Acts of GOD, falling objects, explosions, fire or other such similar or dissimilar occurrences beyond Valspar's control;
 - B. Unusual harmful fumes or foreign substrates in the atmosphere, standing water, or salt spray;
 - C. Misapplication or the Polyester coil coatings (that is, the coating was not applied in accordance with our specifications and instructions as outlined on our product data sheets);
 - D. Damage due to abrasive or chemical cleaners;
 - E. Improper treatment of or defects in the metal or in the fabrication; and
 - F. Stored or installed in a way that allows for poor circulation;
 - G. Stored or installed in a way that allows for contact with animals or animal waste.
 - H. Mishandled Products, e.g., ANY PRODUCT THAT HAS BEEN ABUSED, ALTERED, MODIFIED, USED IN A MANNER NOT ORIGINALLY INTENDED, OR STORED CONTRARY TO OUR INSTRUCTIONS. Including a) damage to the product occasioned by condensation attributable to improper packaging, handling, shipping, processing, and/or installation; b) damage due to failure of the substrate.
5. This warranty will apply only to metal, which is coated with Polyester and used on property located within the Continental United States, Alaska, and Canada.
6. For our Warranty to apply, you must maintain certain records. You need to make them available to us for inspection and copying. These are:
 - A. Records necessary to identify the Polyester coating involved in a complaint. (Information that will allow us to obtain batch number and application date from your coater).
 - B. Normal production records and quality control records from your coater of tests required at reasonable times for our visits.

7. We need to make clear that this is our only Warranty concerning these Polyester coil coatings. And that we have no other obligations concerning them. So, please read and understand the following:

Except for this Warranty, we make NO WARRANTY OR GAURANTEE EXPRESS OR IMPLIED WITH RESPECT TO THE POLYESTER FAMILY OF COIL COATINGS. IMPLIED WARRANTIES OR FITNESS AND MERCHANT ABILITY ARE EXCLUDED. Further, we have no other liability with respect to the Polyester family of coil coatings, whether based on Warranty, negligence or any other legal theory. For example, we have no liability for consequential damages.

8. That is our complete Warranty. It sets out all of our obligations regarding the Polyester coils coatings. It is only for your benefit and is not assignable. Such things as your purchase order forms or our acceptance forms cannot change it. But it can be changed if Valspar agrees in writing. United Steel Supply agrees that it will not itself warranty the performance of products coated with Polyester to any party more commercially remote than the original of the metal building constructed with the product.
